

**Minutes of the Livingston Parish Council
Livingston, Louisiana
October 10, 2024**

The Livingston Parish Council met in a regular session duly called, advertised, and convened at its regular meeting place, at the Governmental Building in the Parish Council Chambers, located on 20355 Government Boulevard, Livingston, Louisiana, on Thursday, October 10, 2024, at the hour of six o'clock (6:00) p.m. with the following Livingston Parish Council members present:

Lonnie Watts	John Mangus
	Ricky Goff
Billy Taylor	Dean Coates
Erin Sandefur	Joseph "Joe" Erdey

Also present: Al Giraud, Moody Law Firm, Parish Legal Advisor

Absent: John Wascom
Ryan Chavers
Parish President Randy Delatte

Due to the absence of the chair, the vice-chair assumed the duties as the presiding officer of the meeting.

The vice-chair called the meeting to order.

The vice-chair asked the public to please mute or turn off their cell phones.

The vice-chair announced that Public Input would be accepted from any member of the audience wishing to address an agenda item and explained the procedure to be called upon.

Councilman Joe Erdey called upon the vice-chair and stated that he would like to call a point of privilege please. The vice-chair granted his request.

Councilman Erdey called upon Parish Legal Advisor, Mr. Al Giraud, and asked as he was the Council's attorney for that evening, he wanted to ask Mr. Giraud if he had read the whole agenda and made sure that they were not having any open meeting law violations? He asked again if he had went over the agenda?

Mr. Giraud advised that yes, he had gone over the agenda, and he thought that they were fine.

Councilman Erdey asked Mr. Giraud if they were okay then for tonight, because he wanted to make sure that they were okay for tonight. He thanked Mr. Giraud.

The vice-chair addressed agenda item number 12, "Public Hearing and Adoption of L.P. Ordinance 24-29: An Ordinance to adopt a six (6) month Moratorium prohibiting the consideration or submittal of any preliminary plat for Residential Developments in Council District 2 creating more than five (5) lots – Ryan Chavers", and advised that she wished to move this item up from its placement on the agenda. No one objected to this. She stated that this would be deferred until October 24th, 2024 and explained that Councilman Ryan Chavers was not able to attend the meeting that evening and he wished to be present for the public hearing and adoption to be able to answer any questions if need be. He requested that this item be deferred, but the Council would still have the Public Hearing that had been scheduled because it had been advertised.

The vice-chair opened the Public Hearing and asked the Council clerk to read the proposed ordinance by title as follows:

L.P. ORDINANCE NO. 24-29

AN ORDINANCE TO ADOPT AN IMMEDIATE MORATORIUM PROHIBITING THE CONSIDERATION OR SUBMITTAL OF ANY PRELIMINARY PLATS FOR RESIDENTIAL DEVELOPMENTS IN COUNCIL DISTRICT 2 CREATING MORE THAN FIVE (5) LOTS FOR A PERIOD OF SIX MONTHS OR THE ADOPTION OF A COMPREHENSIVE NEW ZONING PROGRAM (WHICHEVER COMES FIRST)

Public input: Wally Avara, resident of Denham Springs, LA

The vice-chair asked if there were any other comment from the public. Having none, the vice-chair closed the Public Hearing.

Councilman John Mangus wished to ask the Parish attorney, Mr. Al Giraud, about the legality questions of individual Council Districts being zoned and others not. He asked could there be different zoning in each district as opposed to Parishwide?

Mr. Giraud advised that he thought that was a very broad question from a constitutional standpoint. He stated that the cleanest way to proceed would be for everything to be done uniformly and have a parish wide zoning plan in effect. He further stated that it was his understanding that this would not be the first district specific zoning that the Parish had passed. He conveyed that it had been done before there had been a precedent.

LPR NO. 24-364

MOTION was offered by Dean Coates and duly seconded by Joe Erdey to defer the Public Hearing and Adoption of L.P. Ordinance 24-29: “An Ordinance to adopt a six (6) month Moratorium prohibiting the consideration or submittal of any preliminary plat for Residential Developments in Council District 2 creating more than five (5) lots”, until the October 24, 2024 regular meeting of the Livingston Parish Council.

He advised that this resolution would offer what was the intent of the Livingston Parish Council members when they adopted the millages for the Livingston Parish Health Unit. He stated that the millages were to be set at 1.5.

Councilman Goff asked the Council members to cast their vote again that evening to recognize the fact that it was their intent in the previous public hearing and ordinance. He stated that the next agenda item following the current item would be going a little bit further by introducing an ordinance and readvertising for the public hearing, having just enough time to go through the legal process again.

LPR NO. 24-367

Councilman Lonnie Watts advised that this is located on a private road and the property owners and residents have petitioned and met all of the requirements to have it named for 911 purposes.

LPR NO. 24-369

MOTION was offered by Lonnie Watts and duly seconded by John Mangus to name an unnamed road, "Peacock Drive", for 911 purposes being located off of Cane Market Road in Council District 1, as approved in writing on October 3, 2024 by the Livingston Parish Assistant Permit Director/Address Coordinator.

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MS. SANDEFUR, MR. GOFF, MR. MANGUS, MR. COATES, MR. WATTS,
MR. TAYLOR, MR. ERDEY

NAYS: NONE

ABSENT: MR. CHAVERS, MR. WASCOM

ABSTAIN: NONE

Thereupon the vice-chair declared that the Motion had carried and was adopted on October 10, 2024.

The vice-chair addressed agenda item number 1, “ Adopt a resolution to authorize a waiver of Section 125-37(6), “Requirements for Minor Subdivisions”, to allow a fifty (50) foot servitude located off Cane Market Road, in Council District 1”, and called upon Councilman Lonnie Watts.

Councilman Lonnie Watts explained that the property owners had requested this so it would give them access to the property.

The vice-chair asked if there were any questions from the audience or the Council members. Having none, Councilman Watts stated that he wished to make the motion and Councilman John Mangus advised that he wished to second that motion.

Councilman Dean Coates informed the vice-chair that he had a comment. He questioned Councilman Watts about the request to grant a waiver for a fifty (50’) foot servitude. Councilman Watts stated that the property was fourteen (14) acres in total and the waiver request was to allow them to get just past the house. Councilman Coates asked if it was in an existing neighborhood. Councilman Watts stated that it was not. Councilman Coates called upon Mr. Robert Dugas, Department of Public Works Director, and asked him if he had any information on this request. He further stated that the question that he had concern with, was what the ordinance indicated, being that the servitudes need to be sixty (60’) feet to be accepted by the parish unless the ditches are covered.

Mr. Robert Dugas, Department of Public Works Director, approached the podium as requested by Councilman Coates and addressed the Council members. He stated that the current ordinance allows for a fifty (50’) foot servitude if it is subsurface or curb and gutter. He reiterated that the property owner could have a fifty (50’) foot servitude if they had subsurface in that area. He stated that the problem with fifty (50’) feet was that you did not have enough of the road, the shoulder, the ditch and everything else.

Mr. Dugas advised if they were going to have a fifty (50’) foot servitude, his recommendation would be to require them to make sure that it is curb and gutter. Then it would fall within the development code and the waiver would not be needed. He said that the problem that he wished to point out and that he had to question with a waiver, is that if it ever became a public road, then the Parish would have a public road with a fifty (50’) foot right-of-way. He further stated that it was probably not their intent now, but he could tell them now that the Parish had plenty of roads that the intent was not to be a public road when they started.

Councilman Lonnie Watts asked the Council members if he could reach out the property owners that were requesting this waiver to advise of Mr. Dugas’s recommendation and see what they wanted to do.

Councilman John Mangus asked if it was just the one (1) property that needed the fifty (50’) feet?

Councilman Watts replied that the way that he understood it, that there was just a one hundred fifty (150’) foot section of the servitude that was fifty (50’) feet wide and then it opened back up to sixty (60’) feet. He explained that they had sixty (60’) feet throughout the servitude with the exception of that first entrance going in and there was a house positioned there that stopped the servitude from being sixty (60’) feet.

Councilman Joe Erdey asked Councilman Watts if he could get that arranged for the curb and gutter please if that was possible. Councilman Watts replied that he did not know. The vice-chair requested if Councilman Watts could pull this agenda item back and then speak with his constituent about the

curb and gutter and come back to the Council. Councilman Watts was agreeable and advised that he did not mind doing that.

Mr. Dugas came back to the podium and addressed Councilman Watts. He stated that he was going to get a little bit creative in the way that he explained what he wanted to say next.

Mr. Dugas explained that as long as it was not an open ditch when it is drawn up and it is a fifty (50') foot servitude that is acting like a curb and gutter, it doesn't mean that it has to have subsurface if the drainage doesn't allow for it. He wished to reiterate that he wanted Councilman Watts to be careful when considering giving fifty (50') feet, because they did not want to end up with some open ditches in a fifty (50') foot servitude, but if it allows for the drainage in the road and the ditch is not necessary, there is no reason for an open ditch to be there, so you could consider that as your "subsurface". He encouraged Councilman Watts to call him the following week so that they may discuss it further.

The vice-chair asked if Councilman Watts would like to change his motion and make it a motion to defer?

Councilman Watts was agreeable and stated that he wished to defer this agenda item until the Council could find out more information. Councilman Mangus made the second to this motion.

LPR NO. 24-370

MOTION was offered by Lonnie Watts and duly seconded by John Mangus to defer the authorization of a waiver request of Section 125-37(6), "Requirements for Minor Subdivisions", that would allow a fifty (50) foot servitude located off Cane Market Road, in Council District 1, so that more information may be obtained for the Council members to make a decision to grant and allow the waiver request.

Upon being submitted to a vote, the vote thereon was as follows:

Councilman Mangus advised that the Finance committee had a busy committee meeting and learned a lot. He stated that they had learned about beaver trapping and liability insurance for Council members.

He invited Mr. David Hooter, Director of Human Resources in Administration, to the podium to discuss the insurance topic. Councilman Mangus indicated that there had been a recommendation from the Finance committee that the Council members accept the insurance quote of nineteen thousand four hundred and twenty dollars (\$19,420.00).

Mr. Hooter addressed the Council members and wished to inform them that the quote that was received and presented was for an annual policy. In addition, he stated that this insurance extends to other members other than the Council, others in the Parish President's office, some boards and other entities that the Parish Council has commissioned to. He further explained that it was a kind of umbrella to others besides the Parish Council. The Council members thanked Mr. Hooter.

If not, he instructed to go do your grocery shopping on Tuesday, the 22nd and they will have trailers out there ready to load up. He stated that they will probably be leaving two (2) days after that for delivery. Councilman Coates thanked everyone and asked for them to just keep that in mind.

Councilman Lonnie Watts reported that the 87th Livingston Parish Fair was being held at that time and would continue until Sunday. He invited everyone to come out and participate.

Before adjournment of the meeting, the vice-chair wished to "plug" the Denham Springs Fall Fest that she attended the previous weekend. She surmised that it had the largest crowd and participants that she had ever encountered. It was deemed to be a really successful event and there would be another one held in the spring.
