The chair called the meeting to order. He thanked everyone for their attendance that evening and advised that out of an abundance of caution, the regularly scheduled January 23, 2025 meeting had to be cancelled due to the extreme snow weather event that had taken place and it was rescheduled for that evening, January 28, 2025.

The chair asked the public to please mute or turn off their cell phones.

The chair addressed agenda item number 8a, "Presentations: Jenny Richardson Fore candidate for 21st JDC Juvenile Court Judge – Billy Taylor", and advised that Ms. Fore could not attend the meeting that evening due to the meeting being rescheduled. She will be placed on the next meeting agenda for the February 6, 2025 regular meeting of the Livingston Parish Council.

The chair addressed agenda item number 9a, "Parish President's Report: A resolution to adopt the Livingston Parish Drainage Criteria Manual", and called upon Mr. Robert Dugas, Livingston Parish Department of Public Works Director.

being the very south end of the schoolboard property that has been deeded over to the fire district. It will service the airport and the surrounding community.

Councilman Joe Erdey asked how far was the fire station from the airport?

Mr. Dugas wished to answer this question and stated that he was the chairman of Fire Protection District No. 4. He advised that the District had aligned the station with the road that goes through the subdivision that will go directly to the airport which is approximately a quarter mile from where the station is and where the airport property begins.

LPR NO. 25-024

MOTION was made by John Mangus and duly seconded by Ricky Goff to authorize a waiver of Section 126-8(a), on the setback requirements of the preliminary site plan for Livingston Parish Fire Protection District No. 4, being LPFPD Fire Station 11 (Satsuma Station) located at Section 3 and 10, T7S, R4E in Council District 6.

 The chair addressed agenda item number 14, “Adopt a resolution requesting the Parish President and his Administration to seek funding through grant opportunities for Denham Heights Subdivision to be included into the Denham Springs Sewer System – Billy Taylor, Council District 3”.

The chair advised that he had placed this on the agenda. He explained that this is an old neighborhood that has a private septic system that runs into a creek. The piping that has been used is clay piping which is flat and the sewer is collecting in the residents’ yards and will be a 2.9 million dollar project. He asked if the Council members would adopt a resolution requesting the Parish President to search for grants that would provide funding to help this subdivision obtain a sewer system. The chair had spoken with the residents and they were all willing to go into the Parishwide sewer system.

LPR NO. 25-027

MOTION was offered by John Mangus and duly seconded by Ricky Goff to request that the Parish President and his Administration seek funding through grant opportunities for Denham Heights Subdivision to be included into the Denham Springs Sewer System in Council District 3.

Thereupon the chair declared that the Motion had carried and was adopted on January 28, 2025.

 The chair addressed agenda item number 15, “Adopt a resolution setting a School Zone for Cecil Drive and Olivia Drive in Council District 2 – Ryan Chavers”.

The chair called upon Councilman Ryan Chavers. Councilman Chavers explained that he had originally began working on this approximately three to four (3-4) months ago and he had been receiving a lot of conflicting information on how to handle it.

He had received legal counsel that evening from Mr. Cascio that the Council members could adopt a resolution that evening and then at another meeting introduce an ordinance for it to be declared an official school zone so that the District Attorney may be able to prosecute within that school zone.

Councilman Chavers asked for the resolution to be adopted at that evening's meeting, then it would come back to the Council in the form of an ordinance. He asked for confirmation from the Parish's Legal Counsel.

Mr. Cascio stated that Councilman Chavers statement was accurate. He further advised that the sign could go up by resolution, but at the District Attorney's office, if they were prosecuting those tickets, and if someone were to challenge it, it would make it secure to get a clear prosecution of a ticket if it is by an ordinance. He explained that he thought that it was a good idea to adopt a resolution for the installation of signage to be put in place because it puts people on notice ahead of time, and it allows them to see the signage and know it's there before tickets are actually written.

Councilman Chavers advised that the school board maintenance would be installing the signage once the resolution had been adopted and sent to the school board superintendent Jody Purvis.

LPR NO. 25-028

MOTION was offered by Ryan Chavers and duly seconded by Joe Erdey to authorize signage to be put in place and maintained by the Livingston Parish School Board declaring a school zone to be implemented from Olivia Drive to Cecil Drive located in Council District 2.

Upon being submitted to a vote, the vote thereon was as follows:

YEAS: MR. TAYLOR, MR. MANGUS, MR. CHAVERS, MR. GOFF, MR. WASCOM, MR. WATTS, MR. ERDEY, MS. SANDEFUR

NAYS: NONE

ABSENT: MR. COATES

ABSTAIN: NONE

Thereupon the chair declared that the Motion had carried and was adopted on January 28, 2025.

Public input: Kimberly Brinegar, resident of Watson: wanted to make sure that the school zone would include Blades, which is the back road

Councilman Chavers advised that yes, it would, and he had already spoken about it to the School Superintendent Mr. Purvis and it will go from Olivia all the way around to Cecil. She asked again would it include Blades? Councilman Chavers stated that it was going to start at Olivia and that school zone signs are going to go all the way and then stop at the beginning of Cecil.

Ms. Brinegar announced that she did want the Council members to know that she did receive verbal confirmation and she also wanted to inform the neighbors that were present in the audience, that it will be introduced as an ordinance also. She asked do we know when?

There was discussion about the ordinance going to the Ordinance committee. It was determined that it did not need to be sent to the Ordinance committee because it had been discussed there several times and it could be introduced at the next regular meeting of the Livingston Parish Council on February 6, 2025.

The chair addressed agenda item number 16a, "Adopt resolution to add the following roads to the Priority Road List for consideration: Nan Wesley Road: Ryan Chavers, Council District 2".

The chair called upon Councilman Chavers who explained the condition of the road. The chair advised that he had a road that he wished to add for consideration. He named Fontainebleau and located in Council District 3. Councilman Joe Erdey wished to add Catholic Church Road located in Council District 9.

Councilman John Mangus advised that he had several roads that he wished to add for consideration to the Priority Road List at the next regular meeting of the Livingston Parish Council on February 6, 2025.
